<b>Celestial Night</b>	P SD	FL	3'-4'	Purple	2019	Bred from Ebb Tide. Very rare in a purple variety, it displays resistance to the diseases that can plague rose growers and cause reduced flower production and shorter blooming periods. An abundance of big, double ruffled blooms of deep plum-purple on a hardy, rounded plant.	Slight	
<b>Centennial Star</b>	SD	HT	3'-4'	Yellow	1997	Selected for the centennial of Star® Roses in 1997, the strongly fragrant, golden yellow blooms remind one of Peace but with stronger colors and a higher petal count.	Strong	
<b>Ch-Ching</b>	SD	GR	4'	Yellow	2010	Sport of 2007 AARS winner Strike It Rich; has same bushy habit. The flower color has changed to a beautiful golden yellow with just an occasional kiss of ruby-red. Clusters of blooms are held on red stems lined with deep green leaves. Vigorous with outstanding natural disease resistance.	Strong, sweet, spice & fruit	
<b>Chantilly Cream</b>	P SD	HT	5'	Light yellow		Double flowers create an old-fashioned look. Despite the bloom coloring being on the light side, this rose stands up to the heat of the summer sun, and its hues are long lasting. It also features very strong resistance to such diseases as rose rust, downy mildew and powdery mildew.	Strong, sweet	
<b>Cherries &amp; Champagne</b>	P SD	HT	3'-4'	Red, yellow	2024	Red to deep pink cuplike petals open to reveal a creamy yellow reverse. The abundant and large double blooms pop against glossy foliage	Light sweet
